In re Application of	:	
Manesis	:	
Application No. 10/551,753	:	ON PETITION
Filed: September 30, 2005	:	
Attorney Docket No. D-3132	:	

This is in response to petition to revive an unintentionally abandoned application under 37 CFR 1.137(b), filed January 4, 2010.

The petition under 37 CFR 1.137(b) is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled, "Renewed Petition under 37 CFR 1.137(b)". No further petition fee is required for a renewed petition.

The above-identified application became abandoned for failure to timely file a proper response to the final Office action mailed June 3, 2009, which set a shortened statutory period for reply of three (3) months. Applicant filed an Amendment on August 3, 2009. However, in an Advisory Action mailed on September 8, 2009, the Examiner informed Applicant that the Amendment would not be entered because it failed to place the application in condition for allowance. No further proper reply having been received, the application became abandoned on

September 4, 2009. The Office mailed a courtesy Notice of Abandonment on December 17, 2009.

A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by (1) The reply required to the outstanding Office action or notice, unless previously filed; (2) The petition fee as set forth in 37 CFR 1.17(m); (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and (4) Any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to paragraph (d) of this section.

The instant petition has not satisfied requirement (1). Applicant has not submitted a proper reply to the June 3, 2009 final Office action. As set forth above, a proper response to a final office action consists of either: (1) an amendment that *prima facie* (i.e. on its face) places the application in condition for allowance; (2) a Notice of Appeal (and the required fee); (3) a Request for Continued Examination (and the required fee), or (4) a continuing application.
